Marshalling

To make it fair on all members, each member will be given one race in which to marshal. You will be notified by a MTB committee member up to two weeks before hand, who will let you know which race, when and where. It is your responsibility to marshal that race!!! If you are unable to for any reason **YOU MUST** find someone to take your place. We anticipate with current member numbers, you will only need to do marshalling once for one race during the year.

Indemnity-

I recognize that, as with many sports, there are risks involved in mountain bike riding. I participate in Club events and activities at my own risk, and release and discharge the Club, its sponsors and its members from all claims of damages, demands or actions whatsoever in any manner arising out of my participation.

Personal Indemnity

I give permission for my name and contact details to be forwarded to Mountain Bike NZ, who will use the information only for the purpose of communicating MTB news to Club members, and for attracting Government support for mountain biking.
