Many thanks to John Taylor and others who got out and cleaned up the slips after the rain last month. John said it took 3 days just to get the Rotary Ride open again.

Te Totara gully is still coming along just waiting to get a few dollars for the digger to finish the zig zag then another loop is just about complete just the odd little spot to sort out

Wairakei boys have built a track from Outback to the Corner Shop Connection. This gives a faster way home if required for race
