With the increase in MTB traffic in Wairakei, some of it directly related to the Summer Series of the Taupo MTB club (fantastic races by the way - short fast and lots of fun...), the following track has changed:

FAST EDDIE is now a ONE WAY track from Paintball to Bumble Bee! With Best way to get to the start of 'Fast Eddie' is now through the old "Paintball area". Start at the intersection between Q-line Rd and Powerline Rd. and follow the ribbons. Signs and maps will be amended shortly.
